Conditions

General

- The Field Service & Breakdown Rates and Urgent Response Fee might not be applicable to customers on Service Level Agreements. Please refer to your service agreement for the applicable rates and support coverage.
- A minimum charge of 8 hours per day applies to specialists and principal engineers.
- All works are subject to Spectrum Automation's Sales Terms and Conditions that can be accessed via our website.
- All time on site (e.g. induction, waiting) is charged as working time.
- All hourly rates beyond the minimum charge will be charged in 1-hour increments.

Scheduled Projects

- A surcharge of 20% applies for offshore or remote locations.

Field Service & Breakdown

- The minimum charge for on-site work covers up to 4 hours.
- The minimum charge for remote work covers up to 2 hours.
- Response times for customers without Service Level Agreements are not guaranteed and are subject to availability.

Travel & Expenses

- Travel time is charged at the corresponding rate to and from Spectrum Automation's Head office & capped at 8 hours per day.
- Flights, hotels, per diem and any additional out-of-pocket expenses are charged at cost plus 15%.
